

# Looking for an Internship? START HERE!

## INDIANA-BASED RESOURCES

### Accelerate Indiana Internship Program

Looking for a PAID internship in Indiana? **IWU students** have an opportunity to apply for **PAID internships with start-up organizations and businesses across Indiana**. Internships are funded by Lilly Endowment, Inc. and are available each fall, spring, and summer. To view the most current internship openings, visit the program website: [www.IWUAccelerateIN.com](http://www.IWUAccelerateIN.com)

### Indiana INTERN.net

Indiana INTERN.net is an **internship-matching program** that links employers, students, colleges and universities. It is a dynamic, searchable database that also provides valuable internship resources, articles, and opportunities to subscribe to internship postings and advice. Set up your free student account today: [www.indianaintern.net](http://www.indianaintern.net).

## NATIONAL/INTERNATIONAL RESOURCES

### Wildcat Works

Wildcat Works Career Network is an **IWU-specific resource** that enables students and alumni to discover internships, full- and part-time opportunities, networking opportunities, mock interview options, and much more. All IWU students have free access to Wildcat Works. Simply sign up or log in to [www.mywildcatworks.com](http://www.mywildcatworks.com). If you need technical assistance with your Wildcat Works account, email [slcil.office@indwes.edu](mailto:slcil.office@indwes.edu).

### InternMatch

InternMatch.com has built an evolving library of resources and tools dedicated to helping students and employers maximize the benefits of internships. InternMatch.com is entirely free for students and allows students to search or browse **thousands of unique internships across the country, ranging from Fortune 500s to local non-profits**. The site also includes a dashboard feature for keeping track of internships and application deadlines. Sign up now: [www.internmatch.com](http://www.internmatch.com)

### Internships.com

Internships.com is a division of CareerArc Group, the **world's largest internship marketplace**, and is recognized by Forbes as a Top 10 Careers Website. At no cost, students can search for internships, take an internship predictor to evaluate professional preferences, and learn helpful career development tools. Start searching now: [www.internships.com](http://www.internships.com)

*The Office of Career Development of Indiana Wesleyan University does not endorse all internship positions and employers represented on the search engines listed above. Please exercise caution and thoroughly research each company before submitting an application or accepting a position. For more information on how to identify and avoid fraudulent employers, please contact the Internship Coordinator: [tiffany.snyder@indwes.edu](mailto:tiffany.snyder@indwes.edu)*
